All wrestlers **MUST weigh in at or below the New England weight for which they register**. Wrestlers may compete at their state weight class or another weight class, up or down, from their state weight. All wrestlers **MUST** be born within the birth ranges for each age division. Wrestlers will certify their age during online registration. The tournament directors will not collect birth certificates. An age-challenge procedure is available for a **\$25 fee**. If challenged, a wrestler will be required to produce proof-of-age. A wrestler who is determined to be ineligible due to age requirements will forfeit any award or placement in the tournament. The tournament directors may not be able to resolve these challenges before or during the tournament. If not, they will be resolved afterwards, with awards/placements adjusted accordingly.

**State Qualification:** State tournament dates and locations will be publicized and organized by each respective state. Wrestlers may qualify for the Youth New England through the individual state tournaments for **the state in which they reside**. In-state residency includes full-time boarding school students. States allotted a minimum number of automatic slots in each weight class: CT & MA (5); NH & RI (4); VT & ME (3). **Using the 5-4-3 allotments, state place finishers automatically QUALIFY for the Youth New England, regardless of the weight classes in which they compete at their state tournaments.** State tournament place finishes will be used as a guide to seeding that state's wrestlers. Although participation in a state-qualifying tournament is optional, it is strongly encouraged. Those that do NOT automatically qualify through their state tournaments may petition for a limited number of "wild card" slots. For those that do NOT automatically qualify through placement in a state-qualifying tournament, an additional **\$5 administrative fee** will be charged during online registration when the petition is accepted.

**High School Status:** This is a youth wrestling tournament; high school students are not eligible (**no 9<sup>th</sup> graders**). Middle school wrestlers who compete for their local high school teams are only eligible if they do NOT compete in their high school state tournament or Prep New England.

**On-line Pre-Registration** will take place through the Youth New England Wrestling website ([YNEW.org](http://YNEW.org)). Upon qualification at a state tournament, wrestlers will be eligible to pre-register for that state's automatic slots (**5-4-3 allotment**). If a wrestler does not automatically qualify through a state tournament, a limited number of wild card slots will be available with an additional registration fee assessed (see above). **ALL wrestlers MUST pre-register on-line by 11 PM on Monday March 4<sup>th</sup>**. More registration information available at [YNEW.org](http://YNEW.org).
